THE METHOD · THE 90-DAY PROGRAM

THE LIVE CALLS

Twelve weeks of calls. Thirty minutes of teaching, thirty minutes of questions. One page per call.

HOW EVERY CALL RUNS

THE FORMAT. *Same every week.*

TIME	SEGMENT	WHAT HAPPENS
0–5 min	Wins	Three members share a win from the week. Fast.
5–35 min	Teaching	This week's course: the big idea, the three points, the mistake everyone makes.
35–55 min	Questions	Members' questions on this week's assignment. Pull up their actual offer / list / numbers.
55–60 min	The assignment	Restate what's due before next call. Name the Vault item. Who's posting what.

RULES FOR THE HOST

Start on time. Record every call. Specific questions first ("here's my offer, here's what's broken") – vague ones last. One member hot-seat per call when there's time. End with the assignment, every time.
